Proposals
2025**

I. Introduction

World Without Disease (WWD) is a Netherlands-based organization dedicated to addressing the challenges faced by vulnerable populations across the globe. Our mission is to eliminate barriers that prevent individuals from accessing fundamental human rights — including health, education, and economic empowerment.

Operating in more than 20 countries across Asia and Africa, WWD partners with local communities to empower individuals and build sustainable, long-term change.

For more information about our programs, please visit www.worldwithoutdisease.org and click on “**Our Programs**” to learn more about the initiatives that interest you.

Together, we make a difference.

II. Call for Proposals: Objective, Scope, and Eligibility

Objective

This Call for Proposals seeks to support organizations in eligible countries to address community health challenges in line with **Sustainable Development Goal 3 (Good Health and Well-being)**.

Scope

The call focuses on **innovative, inclusive, and sustainable solutions** that tackle health challenges in underserved communities.

Proposals must:

- Be based on **documented community needs**
